

# NEW YORK GIANTS CHANGE OF ADDRESS FORM

This is not a transfer form. No name changes will be accepted on this form.

The name that appears on the top line of the address is our subscriber of record—No one else is the subscriber.

Where our subscriber is actually a company or corporation, the subscription should be listed in the company name (first line) to the attention of a designated employee (second line). All changes of address for a company must be submitted in writing by a company officer.

All changes of address must include a copy of your valid driver's license both front and back. Driver's licenses with your old address will be accepted. If you do not have a driver's license you can include a copy of any form of identification that has your signature.
